The Zoom application:

- Downloading the Zoom application onto your device provides the best results. You can register for free.
- If you are unable to download and run the Zoom application for this meeting, you can choose “join from your web browser” upon joining the meeting. This does not require downloading any plugins or software. Google Chrome is the recommended web browser.
- The Participants button is at the bottom center of the Zoom video screen. Use this button to get both a list of participants and to expose the “Raise Hands” feature at the bottom.

Join the webinar at the scheduled time:

- Meeting participants will initially be admitted into the meeting “waiting room.” The chair or staff will move participants from there to the meeting itself.
- When you enter the meeting, all participants will be muted unless otherwise directed by the chair.
- Leave your device muted during the meeting. This helps keep extraneous background sounds from interfering with the meeting.

Providing non-agenda public comments and comments on agenda items:

- Via Zoom: Participants will be muted on entry and will need to “raise their hands” during each agenda item to be recognized by the Chair to speak. Thank you for your courtesy.

- More comprehensive instructions regarding how to join a Zoom meeting and how to test your computer or smartphone setup are available should you need them at: <https://supportzoom.us/hc/en-us/articles/01362193-Joining-a-Meeting>
